If you need to make a change please initial and date next to the correction.

#### RETURN YOUR COMPLETED FORM

Return your completed form to your employer's HR/Benefits office. You may need to complete a deferred compensation agreement with your employer.

#### **IMPORTANT INFORMATION**

Whenever a new account is opened, federal law requires all financial institutions to help the government fight the funding of terrorism and prevent money laundering activities by obtaining, verifying and recording information that identifies each person who opens an account. For this reason, we request your name, physical address (a P.O. Box alone is insufficient), date of birth, Social Security number (or taxpayer identification number), telephone number and other information that will allow us to identify you. Without this information, we may not be able to open an account or process any transactions for you. You should consider the investment objectives, risks, charges and expenses carefully before investing. Please call 877 518-9161 or log on to tlaa.org for paper copies of the product and fund prospectuses that contain this and other information. Please read the prospectus carefully before investing. To have copies of paper prospectuses sent to you at no charge, please call TIAA at 877 518-9161. TIAA-CREF Individual & Institutional Services, LLC and Teachers Personal Investors Services, Inc. distribute securities products. TIAA (Teachers Insurance and Annuity Association of America) and CREF (College Retirement Equities Fund), 730 Third Avenue, New York, NY 10017 issues annuities.

#### **NEED HELP?**

For assistance in choosing an allocation or filling out your form, please call us at 800 842-2252.

If your employer's plan offers mutual funds as an investment choice, participants with non-U.S. addresses may be subject to certain investment restrictions, including restrictions on purchases of mutual funds.

#### TWO EASY WAYS TO PICK YOUR INVESTMENTS

#### **OPTION A: One-Step Investing**

This option is designed for investors who want to keep it simple — by choosing a single lifecycle fund to help meet all of their retirement needs. It's a convenient, low-maintenance way to have your retirement investments professionally managed for you — to and through retirement. All you need to do is pick a single Lifecycle fund.

Lifecycle funds have names that match specific investment time horizons — the year an investor expects to retire. So all you need to do is choose the Lifecycle investment with the name that most closely matches when you think that will be.

#### **OPTION B: Pick Your Own Investment Mix**

This option is designed for investors who want to research and evaluate their investment choices and then create their own portfolios. We can give you a head start, by providing some examples of model portfolios that include a mix of different asset classes and represent different levels of tolerance. We can also help you determine how much risk you're comfortable taking as a long-term investor. To find out how to pick your own investment mix, go step by step, through the How to Pick the Right Investments booklet.

Before making your investment choices and completing your enrollment form, please read the prospectuses for the investments you are interested in. To view the prospectuses online, go to www.tiaa.org/PRO and enter your Prospectus Access Code: **101194**. If you prefer, you can obtain paper copies of the product and fund prospectuses by calling **877** 518-9161. Please note that on your enrollment form, you will be asked to confirm that you have received and accessed the relevant prospectuses for your investment choices.

### **OPTION A: One-Step Investing**

Pick the Lifecycle fund that's closest to the year you plan to retire. All of your contributions will go into the fund you pick.

Nonqualified deferred compensation plans of tax-exempt employers are subject to special tax rules. Make sure you have discussed these tax consequences with your employer and/or tax advisor.

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities. All contributions must be remitted under the terms of your employer's plan.

The investment vehicles you may select under your employer's plan are used only to measure the investment performance of your nominal account under the plan. The accumulations in and benefit payments from the CREF accounts, the TIAA Variable Annuity Separate Account, and the mutual funds are variable and not guaranteed; the value of these investment products in your nominal account depends on the investment performance of the accounts. The investment vehicles used to measure the investment performance of your nominal account under the plan remain the property of your employer and are subject to its general creditors until paid or made available according to the terms of the plan. For more information contact your plan administrator.

Your ability to make transfers and withdrawals may be limited by the terms of your employer's plan. This includes in-service withdrawals before termination of employment which may not be permitted. Otherwise, you may transfer among any of the available annuity accounts and non-annuity mutual funds.

The amount and value of any accumulation units transferred from any account within a TIAA Variable Annuity Separate account may be affected by redemption charges imposed by the investments in which the account invests.

Your beneficiary designation will apply to your TIAA and CREF annuities and to the mutual fund accounts under this plan only.
