The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.HealthComp.com or call 1-855-727-5267. Important Questions	Answers	Why This Matters:	
What is the overall deductible?	Individual: \$100 Family Maximum: \$300	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .	
Are there services covered before you meet your deductible?	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .	
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical: \$1,000 individual / \$3,000 family; Prescription Drugs: \$2,000 individual / \$4,000 family:	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. There is a separate <u>out-of-pocket limit</u> for <u>Prescription Drugs</u> .	
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover and penalties for not obtaining prior authorization.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a <u>network provider</u> ?	You must use <u>network providers</u> , except in the event of an emergency. See <u>hconline.health comp.com/uscprovidersearch</u> or call 1-877-552-7247 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . If you use an in- <u>network</u> doctor or other health care <u>provider</u> , this <u>plan</u> will pay some or all of the costs of covered services. Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. You may self-refer to any provider within the USC EPO Plus Plan Network.	You can see the <u>network specialist</u> you choose without permission from this <u>plan</u> .	

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
