TIPS FOR CHOOSING A MEDICAL PLAN

WHAT’S MOST IMPORTANT TO YOU?

QUALITY
All our plans offer top-quality services and access to providers. Our goal is to make USC-provided care more affordable and convenient to the Trojan Family.

USC DOCTORS
To see Keck Medicine of USC world-class physicians providing primary and specialized care, enroll in the USC Trojan Care EPO, USC EPO Plus or the USC PPO Plan.

KEEPING YOUR CURRENT DOCTOR
Unless you’re currently in the Kaiser plan, there’s a good chance your current doctor participates in one of the offered plans. To keep your Kaiser doctor, you must enroll in the Kaiser HMO Plan.

COST
Be sure to compare the total costs under each plan. Consider out of pocket costs like deductibles, office visit copays and prescription copays.

PROVIDER CHOICE
All of our medical plans provide a full range of services and convenient locations. For access to out-of-network providers, you should enroll in the USC PPO Plan.

CONVENIENCE
Keck Medicine of USC is continually expanding its network of providers throughout Southern California to ensure you find the medical care you need close to home or work.

Verdugo Hills employees (as well as union-represented employees) should view plan options on their website.
Participate in the health assessment incentive program through Vitality and **save up to $40 per month** on your medical plan premium. Get started at employees.usc.edu/wellness-benefit.

The Vitality platform is designed to inspire healthy changes and guide you to resources for better health. As you become a frequent user, be on the lookout for wellness opportunities throughout the year.

**Save $480 in 2023 by completing both steps during: January 1 through December 16, 2022.**

Note: If you are a **new hire** in 2022, please see next page for separate instructions.

---

**EARN $40 MONTHLY**

- Complete online questionnaire
- Complete in-person health screening at your doctor's office
- Monthly (must be enrolled in a USC-offered medical plan—excluding Anthem MyChoice Plan)

---

**Your privacy is always protected**

No one at USC (other than those involved in your clinical care) will see your online health questionnaire results or in-person health screening. Your results will not affect your eligibility for coverage or the amount you pay (other than the $40/month credit for completing the assessment).
As a USC new hire in 2022, you have the opportunity to qualify for a $40 per month incentive on your USC enrolled medical plan.

THE HEALTH ASSESSMENT INCENTIVE PROCESS:

• TO RECEIVE INCENTIVE IN 2022, COMPLETE STEP ONE OUTLINED BELOW.
You will earn the incentive the month following completion.

• TO RECEIVE INCENTIVE IN 2023, COMPLETE STEP ONE (IF YOU HAVE NOT ALREADY DONE SO) AND STEP TWO OUTLINED BELOW BY DEC. 16, 2022.
Whether you want to eat healthier foods, boost your activity, or manage your stress, USC is here to support you on your journey to better health.

STEP ONE: The quick, confidential Virtual Health Review (VHR) online questionnaire helps you and your doctor identify lifestyle and health habits you can address to improve or maintain your health. It will only take about 20 minutes to complete, and you can save your answers and log back in to finish later.

STEP TWO: Get your Vitality Check done with your doctor, which includes tests for body mass index, cholesterol, and blood sugar. While not absolutely necessary, accuracy of your blood sugar results is increased if you fast (water only) for 12 hours before your screening.

THE CONFIDENTIAL RESULTS: Your health numbers will then be sent to Vitality to populate your personal feedback report, which you can share with your doctor and use to help improve and maintain your health.

For Vitality website support, contact Vitality Customer Service at (877) 224-7117 or wellness@powerofvitality.com
