NewsFlash!

**Announcement:** On December 17, 2021, the National Institutes of Health (NIH) issued a revised Grants Policy Statement (NIHGPS) that represents an update to the April 2021 version and is applicable to all NIH grants and cooperative agreements beginning on or after **October 1, 2021**. While the update does not introduce any new material for the first time, it incorporates new and modified requirements, clarifies certain policies, and implements changes in statutes, regulations, and policies that have been implemented through appropriate legal and/or policy processes since the previous version of the NIHGPS.

*The 12/17/2021 revision supersedes, in its entirety, the NIH Grants Policy Statement (April 2021) as a standard term and condition of the award.*
