Regulatory science presents exciting careers at the intersection of science, business and law that bridge the public and private sectors.

We will prepare you for stimulating and rewarding jobs in which you can have a real impact on national and global health.

We offer the big-picture foundation, hands-on skill development, global network and flexible learning options.

18 SEPTEMBER 2020 | 1 P.M.
A VIRTUAL EVENT

MEET OUR GRADUATES

“USC WAS MY NUMBER ONE CHOICE FOR A REGULATORY SCIENCE PROGRAM. IT IS THE PERFECT PROGRAM FOR ANYONE WHO WANTS TO COMBINE BUSINESS, HEALTHCARE AND MANAGEMENT INTO ONE DEGREE AND MANY CAREER OPPORTUNITIES.”

—AASHREY KAUL
MS IN REGULATORY SCIENCE

“I CAN’T SPEAK HIGHLY ENOUGH OF THIS PROGRAM. I GOT MY FIRST JOB AFTER ATTENDING A PANEL OF INDUSTRY PROFESSIONALS GIVING ADVICE TO STUDENTS. NOW I’M BACK TO RECRUIT NEW TALENT. AS A GRADUATE MYSELF, I KNOW THE COURSEWORK AND ITS RIGOR, AND THE EMPHASIS ON APPLYING YOUR KNOWLEDGE.”

—ROSANNE MELIKIAN
DIRECTOR OF REGULATORY AFFAIRS, JOHNSON & JOHNSON SURGICAL DIVISION
MS IN REGULATORY SCIENCE, 2010
CERTIFICATE IN CLINICAL TRIAL DESIGN AND MANAGEMENT, 2010
