Introduction to the Office of International Services (OIS)
International Student Enrollment at USC

USC Cosmopolitan Club, 1919
Office of International Services (OIS)

OIS supports international students and scholars as they strive to achieve their educational, professional, and personal objectives. Recognizing the many benefits of international educational exchange, OIS advocates for these benefits on campus, locally and nationally.

OIS is a resource center to help members of the USC international community make the most of their USC experience:

• Answer any questions F-1/J-1 students and scholars may have regarding their immigration status or benefits
• Provide one-on-one and group advising and support
• Offer student programs
• Assist students with navigating life in the U.S.
Maintaining F-1/J-1 Status
Full-Time Enrollment Requirements

To maintain F-1/J-1 immigration status, students must enroll full-time in courses that apply to their degree requirements during each fall and spring semester.

Summer admits are required to enroll full-time during their first summer at USC.
Full-Time Enrollment Requirements

Students are considered full-time when enrolled in a minimum number of units, based on their degree level:

- Undergraduate students – 12 units
- Master’s students – 8 units
- Graduate Certificate students – 8 units
- Ph.D. students – 6 units
- Master’s/Ph.D. students with an assistantship – 6 units
Full-Time Enrollment Requirements: Online Course Restrictions

- No more than 3 units of online course(s) are applicable to the full-time enrollment requirement
- After meeting the full-time enrollment minimum for each level as described below, any additional units of coursework may be either in-person or online.

Full-Time Enrollment Requirements:
Exceptions for Reduced Course Load (RCL)

F-1/J-1 students may qualify for exception(s) to the full-time enrollment requirement for the fall and spring semester if they meet certain criteria for a Reduced Course Load (RCL) category:

1) Final Semester
2) Medical Reason
3) Academic Difficulty
Full-Time Enrollment Requirements: Exceptions for Reduced Course Load (RCL)

1) **RCL due to Final Semester**
   • OIS may authorize a final semester RCL for students who are in their final semester of study and only have a few units remaining to meet academic program requirements

2) **RCL due to Medical Reasons**
   • OIS may authorize a medical RCL due to a temporary health (physical or mental) condition(s) with an appropriate doctor’s letter recommending the RCL for medical reasons
   • To submit a medical RCL, F-1/J-1 students must provide a doctor’s letter with their RCL submission to OIS
   • No more than 12 months total of a medical RCL is permitted per degree level
Full-Time Enrollment Requirements: Exceptions for Reduced Course Load (RCL)

3) RCL due to Academic Difficulty (first semester ONLY)

- A student may qualify for an academic difficulty RCL if they meet one of the below criteria:
  - initial difficulty with reading requirements;
  - initial difficulty with the English language;
  - unfamiliarity with US teaching methods; or
  - improper course level placement
- Students who file an RCL must be enrolled at least part-time (6 units for undergraduate, 4 units for masters, and 3 units for doctorate)
- An academic difficulty RCL can be used only once per degree level
Full-Time Enrollment Requirements: Exceptions for Reduced Course Load (RCL)

Students who meet criteria for an RCL must submit their RCL request to OIS by the end of the second week of the classes.
Students who maintain status by enrolling full time every semester but are still unable to complete their program in time (i.e. change of major), must request a program extension BEFORE their program end date (i.e. at least one month before the I-20 expires). Please check your program end date on your I-20.

*Paid internships (i.e. CPT/Pre-completion OPT) will not be permitted in the extended semesters unless it’s a degree requirement*

Passport Verification (PPV): Immigration Documents

Passport
• F-1/J-1 students are required to always maintain a valid passport
  • Should be valid for at least 6 months into the future, especially for re-entry into the U.S. and when applying for a visa
• Students must contact their local embassy or consulate for instructions on renewing their passport
  • Students may continue to use the expired passport with the valid visa, along with the new passport, when traveling
Passport Verification (PPV): Immigration Documents

F-1/J-1 Visa

• Students may stay in the U.S. on an expired F-1/J-1 visa if they maintain their immigration status by being in possession of a valid I-20/DS-2019 and an I-94 Arrival/Departure record.

• Visas cannot be renewed inside the U.S.; they must be renewed at a U.S. embassy/consulate abroad.
  • Review the U.S. embassy/consulate website for details on the visa renewal process including required documents.
  • Check visa wait times prior to renewing to ensure you have enough time to renew and re-enter the U.S.
    • Due to security checks, it is not recommended students use the period of winter or spring breaks to renew since they may be unable to return by the first day of classes.
