   • Country of citizenship

   » If the information is correct, read the information on page 2 of the I-20 and then sign and date in the spaces that are provided on page 1.

2. Schedule an appointment for your visa interview at the nearest U.S. Embassy or Consulate.
   Review the instructions for how to apply for a visa on the website of your nearest United States Consulate or Embassy: www.usembassy.gov. Make an appointment in person, by phone, or online depending on the consulate or embassy’s requirements.

3. Pay the I-901 (SEVIS) fee before the visa interview and print the receipt.
   After scheduling your visa interview, you will need to pay the non-refundable I-901 Fee (also known as the SEVIS Fee). The $350 fee can be paid online at https://www.fmjfee.com/i901fee/index.html. Print the I-901 Fee Confirmation (receipt) and bring it with you to your visa interview.

4. Bring all required documentation to the visa interview.
   Successful visa interviews require preparation. Please check your local U.S. Embassy website for information on which documents to prepare and bring with you to the interview. If your dependents (spouse and children) will stay in the U.S. with you, you must provide proof of your relationship (e.g. birth certificate, marriage certificate). Allow 1-2 weeks for processing after the visa interview.

IF YOU ARE STUDYING IN THE UNITED STATES AND WANT TO TRANSFER YOUR I-20 TO USC INTERNATIONAL ACADEMY

HEALTH

HEALTH REQUIREMENTS

The University of Southern California requires ALL international students receive:

- 2 doses of MMR (measles, mumps & rubella) vaccine
- Tuberculosis screening (blood test) Tspot or Quantiferon Gold
- 2 doses of varicella (chickenpox) vaccine
- Meningococcal: Menactra or Menveo, most recent dose must be on or after your 16th birthday. This requirement is for students 21 years old and under.
- COVID-19 vaccine

For more information about non-COVID-19 health requirements please click here.

To determine whether immunizations are required individually, the USC Health Center will administer a blood test that will be scheduled after you arrive at the International Academy (usually after Orientation Week). If immunizations are required, they will be administered by the USC Health Center, which will also administer the tuberculosis screening. The Academy and Health Center staff will help you fill out the necessary forms and create a personalized immunization schedule.

COVID-19 VACCINATION PROGRAM

For the latest information check: https://policy.usc.edu/covid-19-vaccination-program/

Please note: If/when the FDA issues approval of at least one of the COVID-19 vaccines, all faculty, staff, and students eligible to receive an FDA-approved vaccine will be required to receive such vaccine in order to access University campuses and premises or participate in any in-person University programs.

The vaccine will be available, per state guidelines and pending availability, at no charge, to all University faculty, staff, and students who are on-campus.

As of April 2021, USC is accepting all international COVID-19 vaccines that have received EUA through the World Health Organization (WHO). We are continually evaluating efficacy data for other vaccines and further recommendations on additional doses of a COVID-19 vaccine may be updated in the future. Vaccination will be available for arriving students who are unable to access vaccination prior to the start of the fall semester.

Students who received a vaccine outside the USA, may receive an additional vaccine (Pfizer, Moderna, Johnson and Johnson) after 28 days have passed since your previous COVID-19 vaccine. USC Student Health regularly lists appointments in MySHR for available vaccine appointments.

Fall 2021 students will receive updates as these become available.
HEALTH continued

STUDENT HEALTH INSURANCE PLAN

All students at USC International Academy receive a high quality medical insurance and access to the USC Student Health Center as part of the mandatory University Service Fee. This medical insurance policy covers students while they are participating in the program and helps cover the cost of care unavailable at the health center, including emergencies requiring hospitalization.

As with all medical insurance policies, some restrictions apply. For policy details, please click here.

It is not possible to get a refund (partial or full) of the University Service Fee, even if you have independently arranged medical and travel insurance.

HEALTHCARE IN AMERICA 101

The health care system in the United States may be very different from the health care system in your home country. For example, in China, patients usually walk in whenever they need to see a doctor and all payments are made before they leave. International students may find the information below helpful. The points below are general to health care in the U.S. but do not apply to all cases.

1. You typically need to make an appointment to see a doctor in America. Unless you are visiting a walk-in urgent care clinic or an emergency room, you will need to schedule an appointment before seeing a doctor in the U.S.

2. You typically need a referral to see a specialist, such as a dermatologist, allergist or physical therapist. This means you will need to ask your primary care doctor for a referral before you can see the specialist. You do not need a referral to see a gynecologist or mental health counselor.

3. You may have a small fee or co-pay at the time of your visit. If you are on the Aetna plan and are confused about your bill, contact the USC Student Health Insurance Office.
HOUSING

» BOOK YOUR LOS ANGELES ACCOMMODATIONS

USC International Academy offers students a variety of housing options, including university dormitories and shared apartments. The demand for USC International Academy housing is much greater than the number of available spaces, so students are encouraged to apply as early as possible.

For prices, go to: www.international.usc.edu/accommodations

To make a reservation, pay $150 Housing Processing Fee (to find out how you can make the payment go to: www.international.usc.edu/fees). Once payment is received, the Academy will make a housing reservation for you. You will receive an email with information how to finalize the arrangements.

Many landlords require a 12-month rental agreement.

- **Acceptance Letter, I-20, and I-901 fee payment receipt**
  Pack your USC International Academy Acceptance Letter, I-20 and I-901 fee receipt in your carry-on luggage so that it is easy to find it when you are going through immigration procedures at the Port of Entry. Check for the latest information on US entry requirements by going to the US Department of State website: [https://travel.state.gov/content/travel/en/traveladvisories/ea/covid-19-information.html](https://travel.state.gov/content/travel/en/traveladvisories/ea/covid-19-information.html)

- **Your address in the USA and airport pick-up confirmation**

- **Traveler’s checks in low denominations and/or credit cards**
  Store these safely.

Immigration officials will stamp your passport with your admission category, date of entry, and duration of status. However, if you do receive a paper I-94 when you enter the U.S., do not lose this form! We will make copies of the paper I-94 and/or the stamp in your passport during Orientation and you may need it to leave the country. To access the I-94, please click here.

EMAIL IMMIGRATION DOCUMENTS

To make sure you are eligible to begin your studies, you will need to submit copies of your immigration documents to USC International Academy.

After you arrive in the U.S., please copy and scan OR take a photo of the front page of your I-20, passport (photo/ID page), visa and I-94 form and email the files to i20-international@usc.edu.

LOCAL INFORMATION

SAFETY

USC is committed to protecting students and educating them about how to protect themselves in Los Angeles’ urban environment. The USC Department of Public Safety, one of the largest campus public safety departments in the nation, works closely with the Los Angeles Police Department to ensure the university campus and surrounding neighborhoods remain as safe as possible. On arrival, the Academy will provide you with information on how to exercise caution in day-to-day situations, maximize personal safety and wellbeing, and make use of the extensive safety resources and services available at USC.

MANAGING MONEY

We recommend you bring a minimum of $2,000 USD in traveler’s checks for immediate expenses. Do not carry large sums of cash with you when you travel. Your immediate costs include transportation and your first month’s living expenses.

OPENING A BANK ACCOUNT

If you are staying in the U.S. for longer than three months you may wish to open a bank account. It is advisable that you check how to set up your bank account before you arrive, as rules, regulations and policies between banks vary. You may be required to bring a variety of personal documentation with you. If you decide to set up a bank account after you have arrived, make sure you are able to access your money at all times. Bank of America, Chase, and Wells Fargo are conveniently located close to campus.

GENERALLY, TO OPEN A BANK ACCOUNT, YOU NEED:

1. Passport
2. Documents that prove you are currently enrolled at USC (I-20, Student ID, Admission Letter)
3. A minimum deposit of $200 or more

Please note that these requirements may vary depending on the bank.

ACCESSING FUNDS IN THE U.S.

Depositing a check from your own country into your American bank account may take 7 to 30 days. A faster way to deposit money is by bank wire transfer. Generally it takes 2-5 days for the wired funds to be available. However, bank charges apply for each wire transfer (approximately $10-$40 USD).

AUTOMATED TELLER MACHINES (ATM)

Debit and credit cards are common in the U.S. You can apply for a debit card when you open your bank account. A debit card allows you to withdraw or deposit money and check your account balance. ATM machines can be found at banks, shopping centers, supermarkets, and on the USC campus.

FOREIGN EXCHANGE

If you are depending on money from abroad for your expenses, you must become familiar with the foreign exchange requirements of your country. Make arrangements in advance so that you will have the necessary funds at regular intervals.
LOCAL INFORMATION  continued

Please obey U.S. laws and respect U.S. customs. If you are unsure about U.S. laws, please ask and an Academy staff member will assist you.

USC International Academy follows the policies established by the University of Southern California and the U.S. government. These policies may apply to academic behavior and integrity, immigration regulations, student accommodations, and more. Some of these policies include:
