Hey friends. Thanks for being here. You'll notice this is a long video. this is how much time I needed to really unpack the important details and emotional realities of this island and its divisions. I hope you will take the time to stick with it. To absorb. If you do, I promise you will learn and feel something. That's why I make these videos.

Also, this was just episode 1 of 4. in the next episode I'll show you what these lines look and feel like today. I'll go inside the buffer zone...
